SPEAKERS

WHAT DID PEOPLE SAY ON SOCIAL MEDIA?

@simonburt68

"If you had a pile of cash on your desk, surely you'd lock it in a safe when you leave the office. Why should your data not be treated as seriously!"
Great point from Gareth Wharton, Hiscox. **#TEISS18**

@TobyMc35

@_Freakyclown_ most engaging security talk I have listened to in ages **#Teiss18**. It's still early on day 1 though!

@ImpuYoung

I'm actually learning a lot. **#TEISS18**

LT Harper - Cybersecurity Recruitment

Great to see the speakers on this panel promoting the idea of hiring 'non-traditional' candidates to bridge the cybersecurity skills gap we are experiencing **#TEISS18**: Brexit Upsets Hiring and Increases Skills Shortage

TOPICS REQUESTED FOR 2019:

- Adversarial AI to improve cyber security
- Deep dive into GDPR review
- Cloud security
- Risk assessed security
- New Data Protection Act
- Cryptography
- Network security
